Discussion of COGO Infrastructure Report Card
NMPS Conference Buffalo Thunder Resort & Casino – April 13, 2019

Patterned after the ASCE Infrastructure Report Cards, the Coalition of Geospatial Organizations (COGO) published a separate Report Card on the Spatial Data Infrastructure – first in 2015 then again in 2019.

- 2017 ASCE Report Card on various parts of infrastructure in the U.S.
<https://www.infrastructurereportcard.org/> (Seems to work fine.)
- 2015 COGO Report Card (From files archived by author.)
<http://www.globalcogo.com/2015COGO-report.pdf>
- 2019 COGO Report Card - link below updated July 12, 2019.
<https://cogo.pro/report-card>
