NMPS Members:

Please see the following letter from the 2020 NMPS President, Matt Norman:

On March 30th I sent a letter to the Board of Licensure (BOL) requesting they consider reducing the 30 hour PDH requirement down to 15 hours for the renewal of licensure in 2020 and 2021. This request was sent due to recent constraints brought on by COVID-19 and the impact it will have on our annual NMPS conference. This request was added to the BOL agenda for the April 28th meeting.

I was able to attend the BOL April 28th meeting, in which a motion was made to reduce the 30 hour PDH requirement down to 15 hrs., the motion failed but was presented during discussion to be revisited during their June meeting. I will relay information on the matter as things progress.

Regards

Matt Norman, PLS
NMPS President
